T9800 Treadmill

The Vision Fitness® T9800 Series premium treadmills were developed with your commercial facility in mind. Our T9800S model keeps it simple. There are no programs. Simply touch the "Start" button to begin your workout. Contact heart rate bars and constant feedback displays let your clients see their progress. The T9800S offers a very large 22" x 60" running surface, a powerful 4.2 hp AC drive system with matching motor and controller, large three-inch rollers, and an extra-heavy gauge steel frame. The deck can be flipped to double the treadmill's life.
